## Mr. Saunders Letter to Parents

Dear North Parents,

Next week we start ISAT testing for all of our students. These tests are important not just for school results-they also tell us how our children are performing. We will be trying to maximize our efforts to create the best test taking atmosphere for our students.

You can help-make sure your child has breakfast, plenty of rest and a few words of positive encouragement.

The schedule is below, we will not interrupt these times or put phone calls through. Call the office in case of an emergency.
