

Dear Parents,

Graduation is quickly approaching! The Q-Review, the QHS student newspaper, puts together a special issue featuring this year's graduates for you to enjoy at the graduation ceremony. This year we would like to give you the opportunity to put in a picture and/ or message for your senior. If we receive enough pictures/messages, it will allow us to run the paper in full color like last year's. The theme of this year's graduation issue will be "A Perfect '10." Parents may send a picture of their child in any stage of life. This means you could send us a baby picture, a picture from high school, or a picture of any age in between. This is the perfect opportunity to show support and pride for your graduate. Please mail them to 3322 Maine Street, C/O Maranda Meyer **by May 7.**

I am submitting a senior picture/message for the graduation issue:

- _____ \$10 Message (Up to 30 words) Only
- _____ \$15 for Picture Only
- _____ \$20 Picture and Message (Up to 30 words)
- _____ \$25 Picture and Message (Up to 40 words)

Please make checks payable to the Q-Review. **If you would like your picture returned, please include a self-addressed, stamped envelope.**
